# ABOUT US

Viherb India Pvt Ltd is a prominent direct-selling and network marketing company in india. As a new and ambitious venture, our primary goal is to build a robust network of dedicated salepeople across the country.

Our Business model involves selling products directly to consumers through a network of consumers, a popular approach in the field of network marketing. We are driven by a clear vision and well-established plan to become the leading network marketing company.

At Viherb India, we boast a diverse product portfolio that caters to various aspects of healthcare, daily lifestyle and cosmetics needs. What sets us apart is our commitment to offering these products at highly competitive prices. Additionally, we have a unique offering where customers can access free products, making our value proposition even more attractive.
